

Why I
refuse to
to choose
between
code and
and sound.

The industry
loves to put
people in
boxes.

Writing **code**
is almost
identical to
arranging a
song.

**You take modular
components and
organize them into
a cohesive unit.**

**The most
interesting ideas
happen at the
intersections.**

**READ THE FULL
ESSAY ON
COMBINING
TECHNICAL &
CREATIVE
IDENTITIES.**
